Make a Christmas Gift

What you need:

- Items from nature (reeds, branches, flowers, twigs etc.)
 - Recycled objects
 - Adhesives (e.g. glue, sticky tape, twine etc.)
 - Embellishments
- Collect items from nature (reeds, branches) or unused or recycled objects from home.
 - Brainstorm ways in which these items could be used to make a gift for someone special.
 - Decide what gift you'd like to make and draw up a design or plan to help you make your gift.
 - Once finished, wrap your gift and have fun delivering it to your special person.
